Elections Eligibility Verification Form

Only members of the Student Union Society (“the Society” and “SUS”) in good standing may seek election to the SUS Board of Directors. The Members of the Society are all individuals who have registered in at least one credit course at UFV for the current semester and who have paid membership fees to the Society.

All candidates intending to run for any position in the 2019 Election must complete and return the following waiver. This waiver authorizes the SUS Chief Electoral Officer to check the candidate’s eligibility by verifying the candidate is a current student at UFV in good standing, has a minimum CGPA of 2.0, meets any other eligibility requirements (as applicable), and that UFV security has no current charges against the candidate. Should the candidate successfully attain a position on the SUS Board of Directors, this waiver also authorizes the SUS Board of Directors to verify their student status on a continuing basis throughout the academic year. No student may run for office until this waiver has been returned to the SUS Chief Electoral Officer.

Elected candidates will be required to attend Board Meetings on a regular schedule. This requirement is the reason Directors of the Society received priority registration. All successful candidates will be expected to arrange their schedules to accommodate Board Meetings.

I, _____ (*print full name*), hereby authorize the SUS Chief Electoral Officer to verify that I am a current student at UFV in good standing, have a minimum CGPA of 2.0, meet any other eligibility requirements (as applicable), and that UFV security has no current charges against me. Should I successfully attain a position on the SUS Board of Directors as a result of this election, I further authorize the SUS Board of Directors to verify my student status on a continuing basis throughout the academic year. I understand that, should I fail in my bid to become a SUS director, this waiver will only be utilized during the 2019 Election period.
