# JESSICA LEVESQUE

*Student Union President*

---

## ABOUT ME

Hey folks, my name is Jessica Lynn Levesque, but everyone just calls me Jess! I am a fourth year student at UFV currently completing my B.B.A with a major in marketing. I've lived in Abbotsford my entire life, own my own carpentry company, and currently work as the Event Coordinator at Student Union Society. I'm nothing without coffee and people tell me I'm funny..but I'll let you decide that for yourself

## WHY I'M RUNNING

I've been going to UFV for 8 years, on and off, pausing along the way to start my own company, do a Co-op at YVR, raise my little family, and try to navigate this adulting thing.. In that time, as you can imagine, I've **learned a lot** & want to share some of this acquired knowledge with you, my fellow classmates to hopefully make your lives a little easier too. From little things like the places to quickly print something before class to the bigger stuff like finding effective ways of managing our education and mental health issues simultaneously, I've learnt it the hard way, so you don't have to!

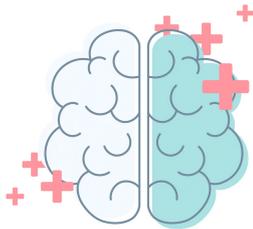

One of my main inspirations for running (other than the opening line to Lizzo's song- "Like a girl" yaas queen) was seeing the amazing response from students regarding WEUFV. The goal was to strengthen the campus culture and engagement. The strategy was to work **WITH** students and in my role as Event Coordinator & as a student myself, I've connected with endless individuals who have a ton of great ideas but don't know where to start. Which made me decide to embark on this incredible opportunity to really transform those ideas into action.
