## Incidents and Items to Report

March 18, 2019: written warning was issued

April 1, 2019: written warning was issued

April 2, 2019: written warning was issued

April 3, 2019: written warning was issued

## Recommendations

None.

## Conclusion

Although written warnings were issued, the matter was not significant enough to have an effect on the elections.

## Election Ruling

These elections have been free and fair, with all candidates having an equal opportunity. As a result, I recommend to the current Student Union Society Board that these results be ratified.
