June Board Meeting

June 24th, 2020 @ 6pm

1. WELCOME

Call To Order @ 6pm The UFV Student Union Society would like to admit and accept that we work and attend this university on the unceded lands of the Stó:lō Nation. Distinct Indigenous groups were the first inhabitants of Turtle Island, now known as North America. The Stó:lō peoples, the people of the river, have primarily relied on the Fraser River and they occupied the land we are currently situated on.

We, as settlers, must recognize our privilege and do the heavy lifting to challenge our overpromises and under delivery of true reconciliation for decolonization. We choose to challenge the hypocrisy and non-action of the government, even after establishing the Truth and Reconciliation Commission and the Missing and Murdered Indigenous Women and Girls Inquiry.

At SUS, we are ready to dismantle the colonial framework that continues to harm, destroy, and damage Indigenous peoples across Turtle Island. We will never forget the trauma inflicted on Indigenous peoples through residential schools, the Indian Act, the 60’s Scoop, and the child welfare system implemented by the Canadian government as an attempt to inflict cultural genocide against all Indigenous peoples.

We recognize that institutional frameworks, such as universities, were made to exclude Indigenous participation by students, staff, and faculty.

This is our time to step aside and make space for our Indigenous peoples and ask ourselves, “What can I do?”
