General Updates from October

1.1. Calligraphy event:

The calligraphy event was very successful. Our feedback via our post event survey was overwhelmingly positive.

1.2. Paint night

The paint night is planned to be on the 22nd October. The event got filled within 24 hours and everything was smooth in the process.

1.3. AGM:

We weren't able to hit the quorum of 100 students. We are trying it for the second time on 27th October.

1.4. Nimbus:

We are currently in the recruiting process for Nimbus the actual interviews and hiring process would start in the late October. A decent amount of tutors are applying for the program.
