## TRANSITION WORK

Some transition work that I've been doing:

- Cleaning up the fall break research I did so that it's easy to follow and work off for an incoming VPE
- Explaining UFV governing body systems (Board of Governors and Senate) as well as other important people/groups/resources.
- Clarifying the details and commitments needed for ABCS and CASA. Outlining subcommittees and positions in those advocacy groups.

## HR WORKSHOPS

I took a day to complete 6 workshops on the following:

- Gender and Sexual Diversity Training
- Creating a Respectful Workplace Training
- Unconscious Bias Training
- Workplace Sensitivity Training
- Improving Workplace accessibility Training
- Workplace Diversity and Inclusion Training

## SEXUAL VIOLENCE POLICIES

Continuing work in the committee. Read over many materials that were sent out. Looking in-depth at University policy comparisons. Last worked on definition of consent and have meeting upcoming on April 6th at 1pm.

## GOAL PLAN UPDATE AND VIDEO RECORDING

Completed goal plan summary and recorded video. Added additional slides to showcase advocacy work and contacted the cascade to review and submit questions.

## CASA AGM

CASA AGM is currently taking place. Despite some schedule conflicts I have been able to dedicate time for attending plenary which is most important. Didn't have to proxy vote.

## STUDENT LIFE TALENT SHOW

Working as main point person from SUS on a collaborative project with Student life for a virtual talent show.  
Still in planning and early stages.

## VACATION DAYS

Took my vacation days this month.
