# A VOTE FOR ME IS A VOICE FOR YOU.

## Candidate Statement

Hi everyone! My name is Ravneet Sohal and I am currently a third year student in the Bachelor of Kinesiology program, specializing in the Exercise Science stream. I am passionate about contributing to decisions made by the Student Union Society at UFV. I am determined to work hard with complete honesty and in good faith to help make decisions that are in the best interests of everyone. The teamwork and leadership skills I have acquired from previous experiences, including many mentoring programs, non profit organizations, and UFV Senate governance will help me fulfill this responsibility effectively. I understand the importance of being aware of current issues and accomplishments within the university and I am determined to bring those to the Board's attention when required.

**YOUR VOICE MATTERS.**

**VOTE THROUGH YOUR UFV EMAIL  
BETWEEN MARCH 21-24:)**
