2022

About Me

Hello, my name is Stefan Boekhorst and I am a fifth year student at UFV.

I'm currently in the Bachelor of Arts program doing a major in Theatre and a minor in Sociology.

I have been at UFV since 2013 and have had the privilege of working at the Student Union Society for the past 3 years.

I have seen the university and the Student Union Society grow as well as meet so many amazing people!

My goal is to continue making great connections with students and make the Student Union Society a place to help others grow.

My Goals

- Create more engaging and exciting events for students
- Create more connections between the Student Union Society and students
- Actively listen and communicate with students on what they want from SUS to provide the best experience for them
- Create accessibility and support for clubs and associations when creating their own events
