

**ELECT
ANGELINA
JOSEPH
UFV SUS
VICE PRESIDENT
STUDENTS**

Land Acknowledgement

As a settler in the vibrant community of Abbotsford, BC, I acknowledge with humility and respect that we are on the traditional and unceded territory of the Sto:lo Nation. I recognize the deep and enduring connection that the Sto:lo people have to this land, their rich cultural heritage, and their ongoing contributions to the region.

I am grateful for the opportunity to live, work, play, learn and build relationships on this land. I commit to learning more about the history, culture, and experiences of the Sto:lo people and to fostering a spirit of reconciliation and understanding.

May we all strive to be responsible stewards of the land and work towards a future of harmony, unity, and mutual respect between Indigenous and settler communities.

About me

My name is Angelina Joseph, I use She/Her pronouns and I am a third-year international student here at UFV pursuing my bachelors in Criminal Justice.

Why do I want to run for SUS Vice President-Students?

Formerly, I have had the opportunity of carrying out the position of Global Student Associate with UFV International. Along with which I've also had the opportunity to serve as the Criminal Justice Students' Association's President for a year and a half. I also managed to launch the UFV Dance Club recently, which garnered a lot of engagement in the past semester. Hence, my exposure in these leadership positions has enabled me to discern first-hand the aspects of students' needs and what they hope to be a part of in terms of student engagement.

What do I want to achieve?

I am also empirically aware of the journey of an international student. The need for engagement among the domestic and international crowd is a subtle but

important aspect of student life at UFV. I am confident that as your UFV SUS Vice President of Students, I will continue to strive for equitable student support, engagement and smiles, thereby creating a holistic and vibrant student community ensuring students have a poignant and optimistic experience here at UFV.
