

Hi, my name is Armaan, I am a second-year student at UFV. I am majoring in political science and minoring in history. For the past year I have been at UFV I have fallen in love with the campus culture and want to make sure I can give back to the community. That is why I am running for this position. I hope you can trust me with this responsibility and promise I will live up to my duties. Some fun facts about me are that I love boxing and the UFC and my favourite food is Triple Os Milkshakes.
