- Implement programs and services to ensure **international students** feel welcomed, supported, and included in the university community.
- Bridge the gap between the **Abbotsford and Chilliwack** campuses by facilitating communication, collaboration, and shared experiences.
- Work towards better organization and support for student-led **clubs and associations** to enrich student life and promote diverse interests.
- Establish effective channels for collecting and acting upon **student feedback** to improve university policies, programs, and services.
