TAKE A CHANCE

CHANCE PADGHAM

FOR STUDENT REPRESENTATIVE

Candidate Statement

Hi everyone! My name is Chance Padgham, and I am a second-year student studying Political Science and Criminal Justice. I am thrilled to announce my candidacy for Student Representative here at UFV SUS, and I am excited to share with you why I am confident that I would be the right person for the job.

I've studied and been a member of our school community for the past two years. During that time, I have familiarized myself with the school, but I have also heard from fellow students about changes that could be made to improve their experience.

As your Student Representative, your voice will be heard, whether it be improved campus facilities, better extracurricular activities, or student support; I will ensure that your best interests are in mind when considering new policies.

I understand the responsibility of representing you, but through my professional, personal and academic experiences, I am confident I can deliver results. I am determined to be the voice for you on the board, so take a chance and cast your vote via email this October!
