*FOR STUDENT REPRESENTATIVE*

# Candidate Statement

Hi everyone! My name is Chance Padgham, and I am a second-year student studying Political Science and Criminal Justice. I am thrilled to announce my candidacy for re-election as a Student Representative here at UFV SUS.

For a bit of background about myself, I love history, photography, travelling, and the outdoors. When I'm not on campus I'm usually out hiking, at martial arts, hanging out with friends, at the gym, or at a local cafe.

I've been a member of our school community for the past three years. During this time I have heard from fellow students about changes that could be made to improve their experience. Likewise, my time on the board during the last term has opened my eyes to the ways that I can advocate for the interests of all UFV students.

As your Student Representative, your voice will be heard. For my next term I aim to improve campus facilities, spread awareness about campus activities, and create more opportunities in and off campus for students.

I understand the responsibility of representing you, and I am confident I can deliver results. I am determined to be the voice for you on the board, so take a chance and cast your vote via email this March!
