WHO AM I?

My name is Harman. I am a student who has been attending the University of the Fraser Valley (UFV) since 2017. I am in my third year of the Bachelor of Business Administration (BBA) program majoring in accounting. Over the years I have gotten a chance to really experience UFV's amazing student culture and its interests. Thus, I have pursued this opportunity to work with other students to help improve the campus life.

WHY CHOOSE ME?

I am currently working as a Junior Accountant at LLT LLP in Chilliwack. I have learned a lot about understanding the well being of a company from its financials. My role also includes preparing personal tax returns for clients and meeting with them on a regular basis. Given this, I will be able to communicate effectively with students due to my experience

I bring a diverse skill set to the board as reflected by my work experience. I have also communicated with a lot of students in the faculty of professional studies, therefore students should feel comfortable voicing their opinions and concerns to me.

I will bring a fresh professional studies perspective to the SUS Board.
