

Candidate Statement

My name is Nichaela Jacob, and I am a fourth-year psychology major with a strong administrative background and a certification in bookkeeping. I'm excited to announce my second term candidacy for a position as Student Representative At-Large. I'm looking forward to building rapport with other board members, the executives, and other team members to continuously enhance the mission of SUS for the good of all students.

I have self-advocated to put on events at the university. SUS and the executive team made my student voice feel heard. SUS provided me the opportunity to bring my student event to fruition. Having this event come to life inspired me to want to advocate for other students. Being elected to the Board of Directors for SUS will provide me the opportunity to do just that. If I am elected, I would be honoured to continue to speak on behalf of and represent the students of UFV because together, we are stronger!
