

# ELECT TRIPAT 2019-20

---

*for*

**UFV SUS  
PRESIDENT**

# HELLO EVERYONE!

---

My name is Tripat Kaur Sandhu. I am a second year student at UFV studying criminology and criminal justice. I am running for Student Union Society (SUS) President to create a positive atmosphere at UFV, bring any student affairs and ideas to SUS's attention, and make rational decisions which benefit UFV students. I have been **volunteering at SUS** since Fall 2017. You might have seen me assisting the current President or chatting with students in the Student Union Building (SUB). Others have probably seen me on the field playing soccer, as I play on the **UFV Women's Soccer team**; or, we have probably had a class together! Overall, I consistently spend time in leadership roles and positively contribute to our university. At UFV, I am also the College

of Arts **student representative**, a **peer supporter** for international students, and a member of the **Criminal Justice Student Association**. However, I would like to transfer my leadership skills further in the SUS President position. The President has the role to carry out strategic goals for students and the Board. My duties as President would be to serve as the public face for SUS, advocate for students and UFV, and act as a liaison between various UFV groups and committees.

## About Me:

I was born and raised in Abbotsford. My friends would describe me as hard-working, adventurous, energetic, and goal-oriented

I possess these assets and am highly capable to be your 2019-2020 SUS President. I will ensure your experience at UFV is worthwhile. What does that look like? **Scroll down.**

Let's make History...

## ELECT YOUR FIRST EVER FEMALE STUDENT-ATHLETE PRESIDENT

### CASCADES SPORTS STADIUM

As a soccer player, I will advocate for an on-campus sports stadium where athletes can practice and play games. As well, students can hold events and attend sports games. It will be much more convenient. **#CascadesPride**

# MY PLATFORM

If elected,  
I will...

## INCREASE EVENTS, ENGAGEMENT, AND COLLABORATION

I want events to be fun and have bigger turnouts. It starts with proper leadership and collaboration with other UFV groups.

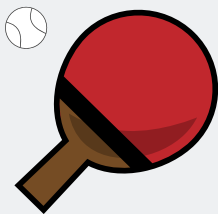

## EMBRACE DIVERSITY

I want to promote an inclusive campus culture, i.e, celebrate other students' cultural events throughout the year.

## BALANCE THE SUS BUDGET

I want to ensure your money is being spent towards beneficial things. I don't want you to be paying SUS debt!

## IMPLEMENT MONTHLY GAMES/TOURNAMENTS

i.e.: March can be a table tennis tournament and a monthly winner will be acknowledged

## INCREASE FINANCIAL AID AWARENESS

I want students to constantly know about financial aid and scholarship opportunities.
