TIRTH PAHOUJA

SUS VICE PRESIDENT INTERNAL

LEAD WITH VISION!

Tirth.pahouja@student.ufv.ca

About me

Hi! I'm Tirth, a third-year Business Administration student at UFV, specializing in Operations and Sales. I am running for the position of SUS Vice President Internal.

In this role, I'll bring my experience as an event organizer at SASI and my background in management to enhance internal operations and governance. I'm committed to ensuring fiscal responsibility, compliance, and efficient administration within SUS, leveraging my skills to support the Board of Directors and the Finance department. My aim is to facilitate smooth, effective processes and policies that serve our student community's best interests, while maintaining a strong commitment to our collective success.

My Goals as SUS VPI

- Work to ensure that student interests are represented in UFV's decisions, fostering a collaborative approach to enhance student life and academic success.
- Foster a welcoming, inclusive environment that encourages active participation and ensures all student voices are heard and valued.
- Ensuring transparent, accountable financial practices and operational processes to build trust and ensure the responsible use of resources.
- Streamline governance and administrative procedures to improve efficiency and effectiveness, making it easier for student organizations to contribute positively to campus life.
- Advocate for comprehensive support services and resources that address academic, mental health, and social needs, enhancing the overall student experience
