Tripat Sandhu - Current SUS President

HELLO STUDENTS!

My name is Tripat Kaur Sandhu and I am a 3rd year student-athlete pursuing a degree in Criminology and Criminal Justice. I am your current Student Union Society (SUS) President and play on the UFV Women's Soccer Team.

I am a student advocate who continuously defends the rights of students and want to continue serving you by being on the SUS Board. Already being the student representative on the *UFV College of Arts Council*, I will transfer my knowledge and experiences gained on this council to the SUS Board as the College of Arts representative. As the current SUS President, I have represented students on a provincial and federal level. As well, I have gained many skills and experiences that will help me contribute rich ideas to the SUS
