## Green Fee Discounts

The Ledgeview Golf Club is a great course for golfers of all skill levels. Equipped with a driving range, warmup putting green, and short game practice hole Ledgeview is a great place to learn the game or improve on your skills. Even if golf is not the main focus, guests of Ledgeview will enjoy the beautiful park like property, exercise, and year-round wildlife.

Ledgeview is also home to PGA Tour players and winners Nick Taylor and Adam Hadwin.

Ledgeview is happy to offer the following 18-hole green fee discounts for students of UFV to take up the game or continue to enjoy it if you already play.
